Re: KWHS and NCHS Artificial Turf Replacement Contract Recommendation

I recommend the Board of Trustees award the contract for the KWHS and NCHS Artificial Turf Replacement project to the preferred bidder, Field Turf USA Inc in the amount of \$1,794,231. Major Maintenance Funds will be used for this project.

The project was publicly advertised and three companies submitted proposals and samples. The samples were reviewed by KWHS and NCHS staff. The three companies were interviewed by school staff and project manager staff. Based on a review of the samples and interviews with the companies, Field Turf USA Inc's product, Vertex Core, was selected as providing the best value to NCSD.

The bids were reviewed by Doug Tunison, NCSD Project Manager, Bret Benes CBSI Project Manager, and Nick Larsen, CEPI Engineer.

The Board of Trustees approved this project as part of the NCSD Facility Plan. The Wyoming School Facilities Division approved the use of Major Maintenance Funds for this project.
